

Upcoming Contracts

The following list presents available information on contracts King County expects to advertise over the next several months.

Because scope of work or estimated value may change by the time contracts go out for bid or proposal, King County provides three ways for you to keep up to date on goods and services currently being advertised:

- PRINT: See the *Seattle Daily Journal of Commerce*, Thursday's

Seattle Times or minority-owned publications.

- PHONE: Call the County's 24-hour contract information lines.
- INTERNET: Access King County's home page.

Business Development and Contract Compliance (BD&CC) specialists can provide general information about contracts in their specialties and may be able to refer you to project staff for technical information. Phone Maurice
